

SUPPLIER APPLICATION GUIDE

SUPPLIER APPLICATION PAGE

Supplier companies wishing to work with Turkish Petroleum Corporation (Türkiye Petrolleri Anonim Ortaklığı) are required to submit their applications through the TPAO Supplier Application screen. Supplier Company candidates are required to complete their applications by filling out the Supplier Registration form below created with the SLC (Supplier Lifecycle Management) integrated system.

Welcome to TPAO Supplier Registration

By registering on our supplier database, you will have the opportunity to introduce and deliver your products and/or services that are needed for TPAO's field of business. Please fill in all the necessary information on the Supplier Registration Page. The information you provide will be stored in our database.
